A Message from your Exalted Ruler, Debra Mello

The summer break is over and now the lodge will be busy with a lot planned for September, so check out the calendar.

I would like to thank everyone who went to Yountville. I was unable to attend this year due to prior commitments. This event is always very rewarding. The veterans love the lunch we cook for them and all the things we bring like the blankets and cards etc. This special program shows our appreciation to these veterans for their part in keeping our country safe. “As long as there is a hospitalized veteran, the Elks will never forget them.”

The Stroll Through History is September 6 from 11am-3pm. As part of the Stroll we will be serving free ice cream cones. Come down and be a part of this fun event. This is a great opportunity to show the public what charitable works the Elks do for the community we serve.

The next Birthday Night is scheduled for September 12, so mark your calendar. If you are a member in good standing and your birthday falls between July 1 and September 30, you are entitled to a free dinner. Invite all your family and friends to attend and celebrate your birthday with you. Cost will be \$15.00 per person. Please RSVP to the office by Friday, September 5 and let them know how many will be attending. If you know the total in your party, we can reserve a table for you. Remember this dinner is for **ALL** members and an RSVP will guarantee you a meal even if it is not your birthday.

Elks Hawaiian Luau is September 20, being chaired by Don LaPlante and Marty Mello DL. We are having Hawaiian dancers performing and a great dinner planned. This will be a fun time for all. See the article in this bugle for more details.

On Wednesday, September 24, the District Deputy Grand Exalted Ruler Jeffie Moffet will be visiting our lodge. PER Jeff McGuire will be cooking his famous Chicken Cordon Bleu. It would really be nice to have as many members in attendance as possible to show our support. Remember, all chairman I will need your reports for this visit by September 15. Hope to see you there.

The Camp Out is September 26-28 at Plymouth. PER Bill Hurt has a lot of fun events planned this year. See the article in this Bugle to get reservation details. See you there.

It is that time again. The North Central District “Talent Extravaganza” is looking for a talent act from our lodge. If you would like to perform at this event, please call the office and talk to PER Don Hall. The event is Oct 11 at Carmichael Lodge. You can purchase tickets at the office for this event.

Message from the Esteemed Leading Knight – Karen Wells

I'd like to thank the volunteers who traveled with me to the Veterans Hospital in Yountville and spent their afternoon assisting the Veterans to and from the luncheon. Making sure they were served a great lunch and representing the Woodland Elks were: Tom Wells, Polo & Sandy Esparza,

Rod & Linda Battaglia, Ron & Tina Smith, Jack Lasserot, and Joyce Plaskett. Of course we can't forget the wonderful Emblem ladies Hope Tapia, Mary Ann Tuccori, Anne Guerrero and Mary Baird who passed out quilts, books, clothes and lots of other items that the Veterans loved. Great Job!!!

Looking forward to fall, I will be cooking Octoberfest again this year on Friday, October 10th. We will be serving Brats, Sauerkraut, and homemade German Potato Salad. We have run out in the past so please try to RSVP so I know how many people to cook for. Hope to see you all.

Look for the Monday Night Football Dinners and Specials coming soon!!

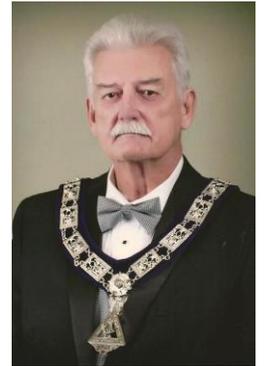

Tale-ender Travelers by Rod Riggins

We just returned from a trip to the Almond Tree RV park in Chico CA. We had a great time and had a very interesting washer board tournament. It started playing to 21 points as it should be. Well, that soon ended because none of those stupid washers would go in the holes. So we played until 6 points were made and all of the holes were worth two points. Each one of us put in \$1.00 so the pot was \$12.00. The winners would get \$6.00 each. You would think that was all the money left in the world, and those stupid washers still wouldn't go into a hole. It took forever to get a winner. Finally, after it got dark, three of the washers felt sorry for Sue Gruwell and Doug Wharton and went in the holes. Thank goodness or we could still be in Chico!

We went to Sierra Nevada Brewing Co. for lunch on Friday. And as it is every time we go there on Friday, it is really good food and service. Some of us made trips on Saturday and Sunday to Bidwell Park and toured the Bidwell Mansion; went to the oldest hardware store in Chico, which is something around 100 years old? We had lunch at a place called CODA. The O had a + in its center, so it was one of those yuppy places. The food was good, but noisy with all the young college folks there.

We had a potluck dinner with hamburgers and hot dogs on Saturday night. All had fun I guess. Sonny and Joe Dodd were the Wagon Masters and did a great job. If you like cookies, ask Sonny next time you see him. He may still have some.

Thanks for reading this. If anyone wants to go on one of our trips call me at 530-383-3722. October 16 thru 21 is the next outing at Woodson Bridge, Corning.

A Message from the Esteemed Lecturing Knight – Jack Lasserot, PER

ANNUAL YOUNTVILLE VISIT

A very big thank you to all who volunteered their time to serve the veterans at Yountville. Would like to thank Emblem and everyone else who donated food and items to the event. The veterans at Yountville look forward to this event every year.

TEXAS HOLD'EM, THE NEXT POKER TOURNAMENT

The next poker tournament will be on Saturday, September 13, from 12 noon until 4pm. The buy-in will be \$10.00 with the chance for an optional buy-in within the first hour of play. For lunch, hot dogs and chips will be served for \$3.00. This is a great way to spend a few hours on a Saturday afternoon. The bar will also be open. There is a sign-up list in the office. You must RSVP to get a seat at the table. Let's play some cards!!!

All proceeds will go to Major Project.

A Message from the Trustee Ron Smith

HELP WANTED

Why did you become an Elk? Most of us wanted to be able to help the community, establish ourselves in the area, or just plain network. Hopefully you have been satisfied with getting what you wanted.

Did you know that the dues we pay each year accounts for less than 20% of the cost of keeping the Lodge functioning? To get the rest we depend on your participation in activities of the lodge. We host dinners and entertainment nights for members and guests, we sponsor Bingo, and we make our hall (Bush Hall) available for functions such as Weddings, Parties or company functions. Did you know these facts? When was the last time you went to an event? While we have 428 Elks in our lodge this year, only a small percentage of our membership use any of the activities or resources available to them. As a result, we continue to struggle financially.

I have a thought, most of us have some skill or ability that would assist the lodge and not require us to spend money we desperately need for other items. Even if we don't think we have a skill, there are things that we could be doing. Call Don at the office to let us know that you wish to volunteer and for what.

Some ways you can help.

- + At least quarterly attend a dinner at the lodge. Bring the family or a friend.
- + Join one of our committees. They are listed on the back page of the Bugle.
- + Let your friends and neighbors know about the Elks and what we do.
- + If you know of someone looking for a place to have a celebration or party, ask that they consider using Bush Hall.

I would like you to consider this, **donate one day's time each year to the lodge.** I know that some of you are saying that even that is too much, or I am too old or busy. To you I say, fine, we accept cash donations. I hope that I have not offended anyone with this idea but if we do not do something above and beyond what is now taking place in the Lodge, success is impossible.

Upcoming **HELP WANTED** events:

September 20 (Saturday) – Clean up the storage area in the building next door.

Probably take 4 to 6 people 6 to 8 hours.

Taco Tuesdays – Someone to make Margaritas

Whenever – someone to work on the ceiling in the Lodge meeting room

- someone skilled to work on getting an electrical schematic for the building.

Right now we are not sure what system is hooked to what device.

Midterm 2014

Dear Members of Woodland Elks Lodge #1299,

On Friday, November 7, 2014 our lodge will be hosting 2 dinners for those attending the midterm convention in Sacramento. Each dinner will include a Puttin' on The Hits Show. I am looking for all the help I can get.

We will be serving at 5:30pm and 7:30pm with a show after each dinner. We could possibly have 500 people in our lodge at one time. We are looking for help with; bartenders, bar backs, servers, setup, clean up, hosts & hostesses, janitorial, kitchen crews, setup and cleanup, and anything else which is needed. If you are interested in helping, please contact me at the number or email below.

I will be holding an information meeting on Tuesday, October 21st at 6:30 in the east bar of the lodge. I will be explaining the schedule for the evening of November 7th and how we are going to handle this event.

The last time we hosted this event the Members of our Lodge came together and did a great job. Let's see if we can have the same results this time. Any help I can get on this function would be greatly appreciated. If you are not able to attend and would like to help, please contact me at 530-219-1254 or email me at martyjmello@yahoo.com.

Fraternally, Marty Mello, PDDGER

BIOGRAPHY OF
JOHN D. AMEN
GRAND EXALTED RULER
2014–2015

Benevolent and Protective Order of Elks of the U.S.A

John D. Amen was born in Denver, Colorado; the third of three sons of Jake and Clara Amen. He was raised in Fort Collins, Colorado and attended public schools there. John was an excellent student and participated in school athletics throughout junior and senior high school. John attended Colorado State University, graduated with honors and was awarded a Bachelor of Science degree with a major field of study in General Business in 1970. During his time at CSU, John met and married the love of his life, Marcia. After undergraduate school John accepted employment in Fort Collins as a design engineer. Thereafter, John entered Law School at the University of Colorado, finishing high in his class in 1973. During his final year of Law School, John was recruited and accepted employment with Chevron Corporation. Following graduation, with a Juris Doctorate degree, John immediately sat for, and passed, the rigorous Colorado Bar exam.

After Chevron, John served in various legal and management positions with independent oil and gas exploration and production companies. With Snyder Oil Corporation of Fort Worth, Texas, John served as Vice President of a growing New York Stock Exchange company. Snyder eventually merged into Devon Energy Corp.

In 1988, John left the corporate world and joined the preeminent 17th Avenue law firm of Burns, Wall, Smith and Mueller, P.C. as Special Counsel. After a successful practice representing various oil and gas clients, John retired from the firm in 2004. Since that time John has limited his practice to a part time endeavor serving limited clients.

John and Marcia have two children, John, Jr. and Jennifer, and are further blessed with four grandchildren, Hailey, Hannah, Hope and Hillary. All reside in Colorado. John and Marcia are very proud of their children's accomplishments.

While working in the natural resources field John acquired professional experience working with both legislators and government regulators; so it was natural that John became involved in government relations with the Elks early in his Elksdom career. Serving as Vice Chairman of the Colorado Elks Association from 1997 and later as State Chairman, John led an active team of Elks

that served to represent the interests of the Elks at the state and national levels.

John recognizes that all of the good works of Elksdom are carried out at the Lodge level and he has been active as a leader of Denver Lodge No. 17 in a variety of capacities.

He has served Lodge 17, the "Mother Lodge of the Rockies," in all of the Lodge chairs. John's Lodge has honored his outstanding service by bestowing him the honors of "Elk of the Year" and Honorary Life Membership. In addition to his service to Elksdom, John has served many dedicated hours to support and lead the Colorado Elks Association State Major Project: Elks Laradon Hall. This large project serves over 500 developmentally disabled citizens of all ages. John served two full three-year terms on Laradon's Board of Directors, the last five as its Chair, and further served Laradon most recently as a director of its supporting foundation.

In 2008, John was elected Third Vice President of the Colorado Elks Association and thereafter served with distinction in each of the three Vice President chairs and then as Colorado Elks State President in 2012.

John is a Past District Deputy and served on the Grand Lodge Committee on Judiciary from 2006 through 2013 and chaired this hardworking committee his final two years.

"The help we extend to others increases our own riches." Since his appointment to the Committee on Judiciary, John has been helping the 265 Lodges in Grand Lodge Area 6 with their legal matters. From advising Lodge Officers on statutory procedures and requirements, to helping them with their by-laws and corporate documents, John established many friends and relationships throughout his eight states of responsibility and throughout our Order. John has become a recognized expert on the Law of Non-Profits and taxation of exempt entities.

John passionately believes that the principles of Elksdom will guide us through periods of crisis and endorses the concept that maximum effort should be focused on reversing the downward trend in membership. Creative ideas are never scarce with John, particularly when his favorite subject — Elksdom — is the topic.
